## 2010 Closures & Changes (updated 9/9/10)

Be advised that from time to time – up to 15 times per year - CSC may be required to close or adjust our regular schedules at the pool for Fremont Union High School District events as required by the agreement between the City of Sunnyvale and the District and in accordance with our contract to operate the pool for the City. Notice will be provided as soon as it is known and all changes or closures will be posted and customers contacted directly whenever possible or necessary.

Other closures are possible due to lightning (weather), chemical imbalance (and other general public safety issues), and special community events. Any persons affected with paid regularly scheduled lessons (“group”, “semi-private”, or “private”) will be provided a makeup class or a credit to future classes. Refunds are not provided without written authorization from the Director of CSC.
