**IMPORTANT NOTE:** Websites of or about competitions are for information only and are subject to change. CSC may have more up-to-date information than the website reflects. We ask that you get specific meet information through CSC & your coaches rather than a host club website. It is also critically important that parents NEVER CONTACT A COMPETITION HOST DIRECTLY for meet information. Doing so can be a real problem for us. We only have one point of contact with a host club - a CSC director, Head Coach, or designated staff member. **CONTACT YOUR CSC COACH** if you have any questions about anything you read or hear that doesn't match the last CSC communication, or this schedule.
