IMPORTANT NOTE: Websites of or about competitions are for information only and are subject to change. CSC may have more up-to-date information than the website reflects. We ask that you get specific meet information through CSC & your coaches rather than a host club website. It is also critically important that parents NEVER CONTACT A COMPETITION HOST DIRECTLY for meet information. Doing so can be a real problem for us. We only have one point of contact with a host club - a CSC director, Head Coach, or designated staff member. CONTACT YOUR CSC COACH if you have any questions about anything you read or hear that doesn't match the last CSC communication, or this schedule.
